The interest on a sum of Rs. 10,000 is to be utilised in similar scholarships to be awarded to the students of the St. Agnes College, Mangalore.

(The interest on the balance of Rs. 5000 should be handed

handed over to the St. Aloysius College, Mangalore, with the request that the money should be made available for suitable deserving students from the Shirva High School, Mangalore, who wish to study at the St. Aloysius College, Mangalore.

All the above mentioned scholarships should be called "The C.S. I have the honour to invite your kind attention to paragraphs 3(a), 3(b) and 3(c) of Appendix II to the Government Order referred to above and to point out that the number of scholarships entered therein as three is not correct as four scholarships are to be awarded in each of the following institutions viz. (1) St. Aloysius College and School Department (2) St. Agnes College and High School Department. As regards the scholarships to be awarded to students of the Shirva High School, Mangalore in the St. Aloysius College, Mangalore, it is submitted that the number and rate of scholarship have not been fixed, as the rate will vary according to the number of students who will prosecute higher studies in the St. Aloysius College every year.

2. I, therefore, request that Government may be pleased to issue necessary modifications to the G.O. deleting the word "three" in each of the paragraph's 3(a), 3(b) and 3(c) of Appendix II to the Government order referred to above.
